

Power Window Motor and Regulator Assemblies

All ACI power window motor and regulator assemblies are thoroughly tested and validated for fit, form and function before being added to our product offering. ACI prides itself on doing the work of validation in-house with our vast library of original automotive doors so you know ACI products are a guaranteed fit.

- Designed with O.E. style connectors
- Validated for form, fit and function
- Drop in replacement
- ACI improves upon O.E. designs by replacing slides with rollers to extend cable life
- Premium grade cables
